1 Unless otherwise specified, copayments/coinsurance are calculated based on allowable amounts. After the Calendar Year medical deductible is met, the member is responsible for copayments/coinsurance for covered services from Participating providers. Participating providers agree to accept Blue Shield's allowable amount plus any applicable member copayment or coinsurance as full payment for covered services.

2 Non Participating providers can charge more than Blue Shield's allowable amounts. When members use Non Participating providers, they must pay the applicable deductibles, copayments or coinsurance plus any amount that exceeds Blue Shield's allowable amount. Charges above the allowable amount do not count toward the Calendar Year deductible or out-of-pocket maximum.

3 The maximum allowed charges for non-emergency surgery and services performed in a Non Participating ambulatory surgery center or outpatient unit of a Non Participating hospital is $350 per day. Members are responsible for 50% of this $350 per day, and all charges in excess of $350 per day. Amounts that exceed the benefit maximums do not count toward the Calendar Year out-of-pocket maximum and continue to be the member's financial responsibility after the Calendar Year maximums are reached.

4 Bariatric surgery is covered when prior authorized by Blue Shield; however, for members residing in Imperial, Kern, Los Angeles, Orange, Riverside, San Bernardino, San Diego, Santa Barbara and Ventura Counties ("Designated Counties"), bariatric surgery services are covered only when performed at designated contracting bariatric surgery facilities and by designated contracting surgeons; coverage is not available for bariatric services from any other Participating provider and there is no coverage for bariatric services from Non Participating providers. In addition, if prior authorized by Blue Shield, a member in a Designated County who is required to travel more than 50 miles to a designated bariatric surgery facility will be eligible for limited reimbursement for specified travel expenses for the member and one companion. Refer to the Plan Contract for further details.

5 The maximum allowed charges for non-emergency hospital services received from a Non Participating hospital is $600 per day. Members are responsible for 50% of this $600 per day, and all charges in excess of $600 per day. Amounts that exceed the benefit maximum do not count toward the Calendar Year out-of-pocket maximum and continue to be the member's responsibility after the Calendar Year maximums are reached.

6 For plans with a Calendar Year medical deductible amount, services with a day or visit limit accrue to the Calendar Year day or visit limit maximum regardless of whether the Calendar Year medical deductible has been met.

7 Services may require prior authorization. When services are prior authorized, members pay the Participating provider amount.

8 Mental Health and Substance Abuse services are accessed through Blue Shield's Participating and Non Participating providers.

9 Inpatient services for acute detoxification are covered under the medical benefit; see the Hospital Benefits (Facility Services) section of the Plan Contract for benefit details. Services for acute medical detoxification are accessed through Blue Shield using Blue Shield's Participating providers or with Non Participating providers.

10 Services from Non Participating providers for home health care and hospice services are not covered unless prior authorized. When these services are prior authorized, the member's copayment or coinsurance will be calculated at the Participating provider level, based upon the agreed upon rate between Blue Shield and the agency.

11 Preventive Health Services, including an annual preventive care or well-baby care office visit, are not subject to the Calendar Year medical deductible. Other covered non-preventive services received during, or in connection with, the preventive care or well-baby care office visit are subject to the Calendar Year medical deductible and applicable member copayment/coinsurance.

Plan designs may be modified to ensure compliance with Federal requirements.
