

GOLDEN STATE RISK MANAGEMENT AUTHORITY (GSRMA) Risk Management Accreditation Program (RMAP) 2018-2019

GSRMA member agencies can earn an award of up to 10% of the current year's contribution, subject to a \$50,000 maximum per member agency, per year.

Members must apply each year to qualify. This application covers the time period from March 1, 2018 – February 28, 2019.

TO APPLY:

Members wishing to apply for the RMAP must submit a Letter of Intent to GSRMA's Loss Prevention Staff no later than the first Monday in December each year. Please review the sample letter attached, as there is a new element of the RMAP your agency must address within its letter. **Letters of Intent will not be accepted after the first Monday in December.** Upon receipt of the Letter of Intent, GSRMA staff will confirm the meeting to review the agency or industry loss history and/or exposures. This meeting/review must be conducted with those in a safety leadership role in order to earn the points on the self-scored RMAP application. The attached application must be completed and submitted to GSRMA's Loss Prevention Staff by the first Monday in March each year. **Applications will not be accepted after the close of business the first Monday in March.** During the review of the applications, GSRMA Loss Prevention Staff will request supplemental documentation from applicants to validate the applications. **Failure to provide this documentation by the date requested will disqualify the member from consideration of an award under the RMAP for that year.**

Loss Prevention staff shall present all qualified applications to GSRMA Board of Directors no later than their May board meeting for approval. For budgeting purposes, those agencies receiving awards will be notified prior to July 1st. To receive distributions, the agency must be a member in good standing as of July 1 of the 2019/2020 coverage year.

The credit earned is based on a points system. 100 points are needed to be awarded the maximum credit. The following formula shall be used in determining the total credit awarded. **(NOTE: Member agency must score a minimum of 60 points to qualify for an award.)**

60 to 69	1%

GSRMA encourages members to use the awarded funds to maintain and/or enhance their loss prevention efforts. Members who achieve 100 points or more will be granted accreditation status. As an additional incentive to achieve accreditation, a random drawing will be conducted to select one accredited member to receive complimentary attendance for up to two attendees to attend the upcoming Public Agency Risk Management Association (PARMA) conference.

Special Note: Agencies are encouraged to submit the self-evaluation regardless of accumulated points.

LOSS EXPOSURE EXPERIENCE PLAN DESCRIPTION

The goal of the Loss Exposure Experience Plan (LEEP) is to help members identify risks and reduce claims. Each year a new plan must be developed that identifies a specific problem area or hazard and proposes a solution to resolve the problem area or hazard over the next year. The plan **MUST** incorporate the following components:

- Identification of potential problem areas (hazards, claims, experience, etc.)
- Proposal to resolve the identified problem areas.
- Education – to promote understanding and training to lessen the impact of the problem area.
- Funding – identifying funding resources available to accomplish the plan.
- Evaluation – track the success of implementation of the plan and be able to produce the results to GSRMA with your application for the following year's plan.

Although your plan should incorporate the above mentioned criteria, it should be brief and clear enough that staff is not discouraged from reading and implementing it. Please see the sample format which is attached.

The LEEP must be submitted with your completed RMAP Application. The completed RMAP application is due to our office no later than the close of business on the first Monday in March.

If you have questions in the development of the plan please feel free to contact Loss Prevention staff at (530) 934-5633 or via e-mail at lossprevention@gsrma.org.
