STATEWIDE FUNDING OPPORTUNITY

CALIFORNIA FIRE FOUNDATION

FIRE PREVENTION & PREPAREDNESS GRANTS AVAILABLE MAY 18,2021

APPLICATION DEADLINE: **JUNE 18, 2021**

The California Fire Foundation, in partnership with PG&E and Chevron, is awarding grants **up to $15,000 (no match required)** to California-based **fire departments, firefighter associations and community organizations** in support of projects and programs focusing on wildfire preparedness and prevention.

Funding priority will be given to applicants serving high fire threat areas whose project or program focuses on:

- Vegetation Mitigation & Fuels Reduction
- Specialized Firefighting Equipment
- Personal Protective Equipment
- First Responder Training
- First Responder or Fire Victim Behavioral Health & Wellness
- Emergency Go Bags/Kits
- Education, Planning or Community Outreach Campaigns

California Fire Foundation grantees are actively addressing some of the state's toughest wildfire and disaster prevention, preparedness, relief and recovery needs — *all in an effort to keep Californians, our communities and first responders safe.* Learn more about our focus areas, funding priorities and guidelines at **www.cafirefoundation.org/grants**.

The deadline to apply is

FRIDAY JUNE 18 2021

Funding will be awarded toward the end of July.
